THE BLUE AND WHITE

Presents

"The Play's the Thing"

Prologue

We the editors of this yearbook
Ask the reader to imagine
That this book represents
Four years, or scenes, in one of man's
Greatest activities: the drama of education.
That is why we have chosen the theme:
"The Play's the Thing" — meaning it's
"The Learning That's the Thing;"
And we urge each student to continue
To learn and to carry out his part in life
Long after he has left this stage.

OUR MISS ABBOTT

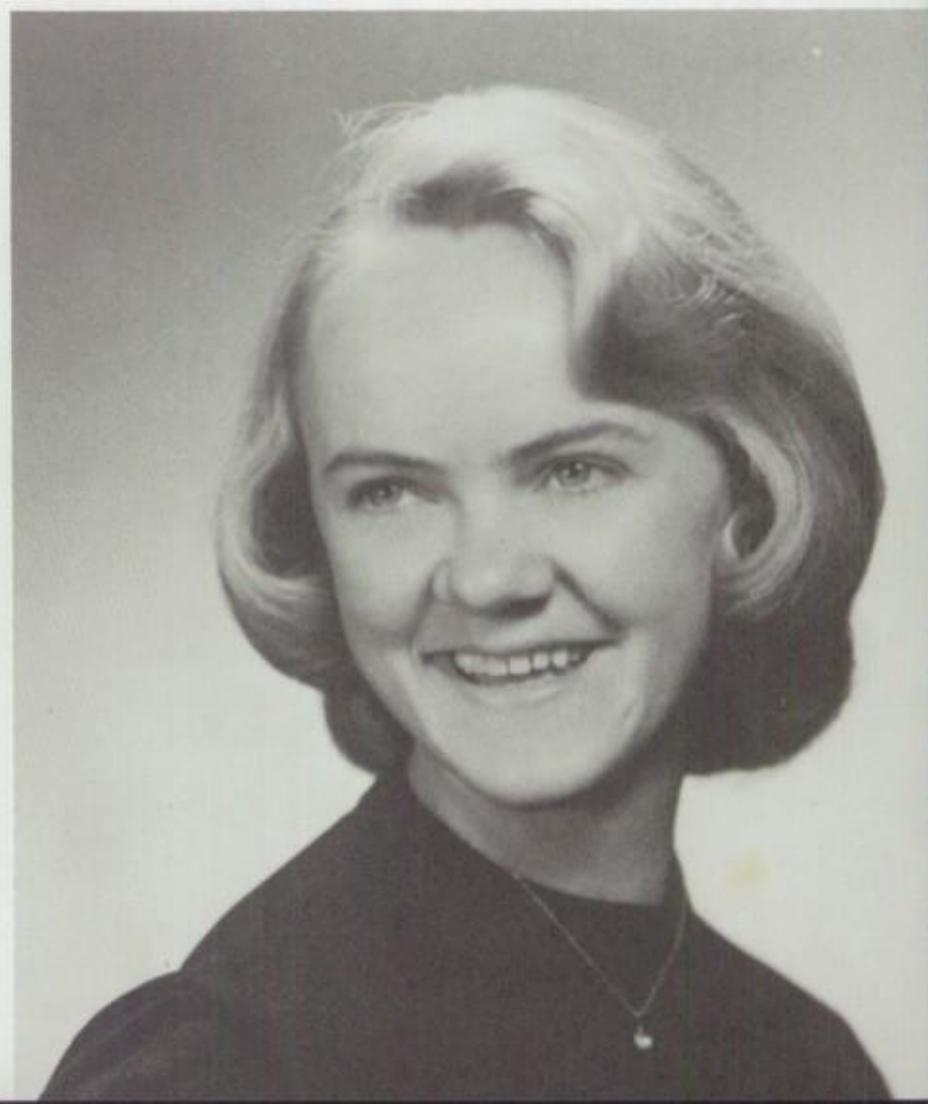

Leaving the halls of Westbrook High School this year will be a memorable personality. Miss Pauline Abbott has devoted thirty-seven years of her life to the education of Westbrook youth.

We, the class of 1962, could not permit such an event as this to go unnoticed without a showing of our sincere appreciation for Miss Abbott's dedication to her profession.

It has been said, "The reward of a thing well done is to have done it" and such must be your reward, Miss Abbott.

MISS D. A. R.

Dependability, Service, Leadership, and Patriotism — These are the characteristics every Miss D. A. R. must possess. This year the girl who best displays these traits is Miss Eleanor Edgerley. Her consistently loyal participation in numerous school activities certainly justifies the selection.

SUPPORTING CAST

Left to Right: Norm Lefebvre, Susan Daly, Donna Guildart and Rod Tibbetts.

JUNIOR CLASS

We the class of 1963 began our eventful year at our first class meeting. We elected the following officers and representatives to the Student Council: President — Roddy Tibbetts, Vice-President — Donna Guildart, Secretary — Susan Daly, and Treasurer — Norman Lefebvre. David Lowell and Norene Zahares were selected as representatives to the Student Council.

Some of our most memorable days were the receiving of class rings, the sock hop with Morse High, and our fabulous girl's football game.

On March 16th, the Junior Prom was held in the gym. Everyone enjoyed himself and had a wonderful time dancing in a Springtime setting.

Our class was well represented this year in the sports field. Football boys were: Dick Beauchane, Dick Billings, Lynwood Grant, George Hunter, Norman Lefebvre, Roddy Tibbetts, Martin Twomey, and John Young. Dick

Billings, Skip Gale, Kerry Herbert, Gerald McKeague, and John Young participated in basketball under the managership of George Hunter. Track boys were Robert Barter, Dick Beauchane, Lynwood Grant, Bill Fullerton, David Lowell, Ray St. Cyr, Martin Twomey, and Paul Frasier.

We are very proud of Edna Varney, Stanley Anderson, Susan Gagnon, and Carol North, who made the "straight A" honor roll. Others who were really outstanding are: Gaille Brennan, Susan Daly, Paul Frasier, Janice Fullerton, Jean Guilbert, Shirley Girard, Owen Harrington, George Hunter, David Lowell, Sandra Maines, Michael Roberto, Jean Ryan and Paul St. Cyr.

Due to outstanding contributions by many Junior students, we had a very profitable and worthwhile year and hope to attain greater success in our senior year.

CLASS OFFICERS: Mary Jane Webster, Secretary; James Roberto, President; Diane Morabito, Vice-President; Kenn Sinclair, Treasurer.

SOPHOMORE CLASS

We, the sophomore class of 1962, had the privilege of entering W. H. S. as upperclassmen. After several weeks of confusion, we became accustomed to our new phase of life.

At our first class meeting we elected James Roberto, president; Diane Morabito, vice president; Mary Jane Webster, secretary; Kenn Sinclair, treasurer. The following week Susan Graham was chosen student council representative. The following volunteered their service as members of the planning board: Daniel LaDouceur; chairman, Merle Wood, Jane Dyer, Catherine Libby, and Susan Graham.

Many sophomores participated in athletics. Outstanding in varsity football were Ken Luce and David Adams; in varsity basketball, Mike Mazerall and Rusty Stultz; in cheering, Pam Labreque and Sonja Webb. In addition, others took part in volleyball and track.

Students from the sophomore class supported clubs, musical organizations, and school functions while others offered their services as library aids and office helpers. Many sophomores made the honor roll: Susan Rogers, Diane Morabito, and Sandra Rogers, receiving all "A's."

We feel that our sophomore year has been successful both scholastically and socially. Our sincere thanks go to our class advisors, Mrs. Cotton and Mr. Baily, for their guidance and understanding.

FRESHMAN CLASS

On September 8, 1961, we, the members of the Class of 1965, became the first freshman group to enter the new Westbrook High School building in a 6-2-4 education program. We were 270 strong and raring to go, although for the first few weeks we weren't quite sure just where.

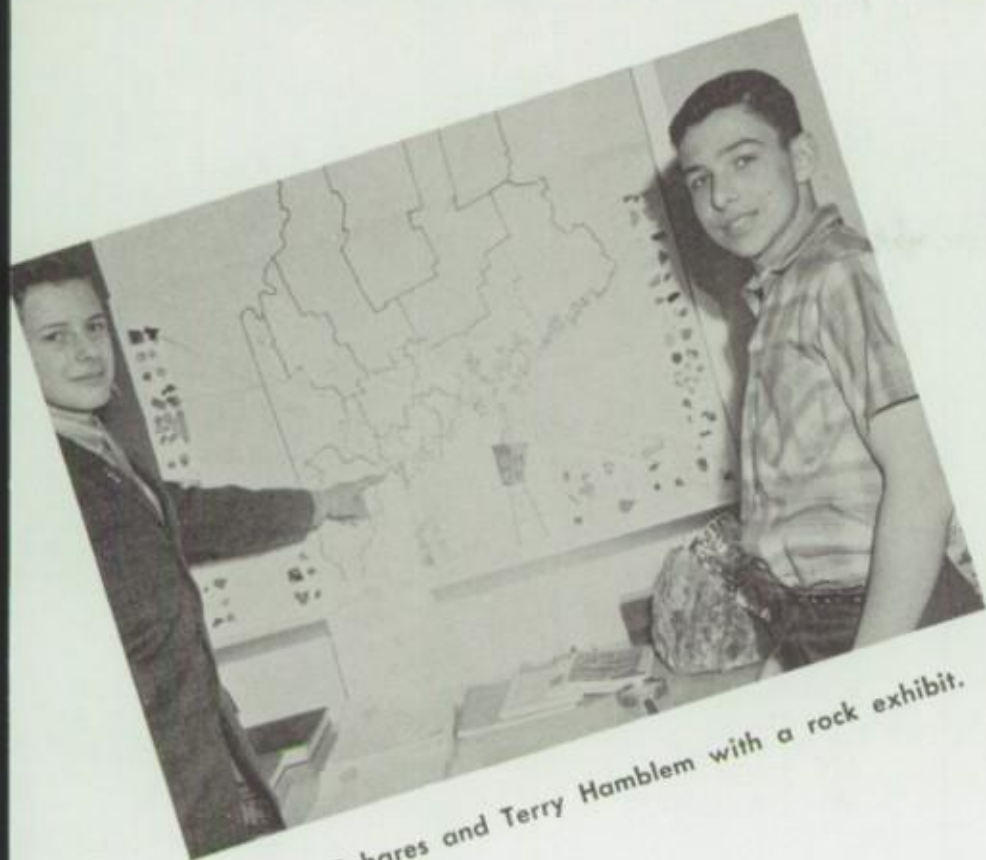

Although we had come from many different places and for many different reasons, in a short time, we nevertheless joined together and prepared to challenge the upperclassmen for honors in all fields. Ably led by Don Nelson, president; Debbie Gildart, vice-president; Marcia Smith, secretary; and Fred Turner, treasurer, the class surged forward to achieve highly in many fields.

Although our freshmen basketball team was not

too successful so far as games won, we were very proud of the sportsmanship that T. Waterman, J. Cumberland, R. Christensen, J. Malick, B. Smyth, P. Stultz, J. Duchesne, D. Bernier, D. Gagnon, B. Wood, F. Turner, P. Seavy, and W. Gillette displayed. Cheering loudly for the J.V. Team were Freshmen Christine Graffam, Nancy Dugas, Deborah Gildart and Cynthia Knight.

Thirty bandsmen and 37 choristers, along with majorettes Pamela Travis, sub-head and Bonnie Boothby helped assure success in our musical activities.

Special notice should go to the 43 freshmen who succeeded in making the honor roll; and especially to David Babb, Susan Harper and Linda Bowmen who made the Straight-A Club.

ASSEMBLIES

Peter Garland informs the student body of his trip to Russia.

This year Westbrook has had a number of interesting and informational assemblies. Our principal, Mr. Robinson, plans these through the office, and they are thoroughly enjoyed by all. On one occasion, Congressman Peter Garland spoke on his current trip to the U.S.S.R. A safety expert, Major Pike, stressed the importance of careful driving, and the student body also heard from an expert on nuclear physics. In addition, the cheerleaders staged many successful rallies. These and many other educational assembly programs have helped to make the 1961-62 school year a much more interesting one.

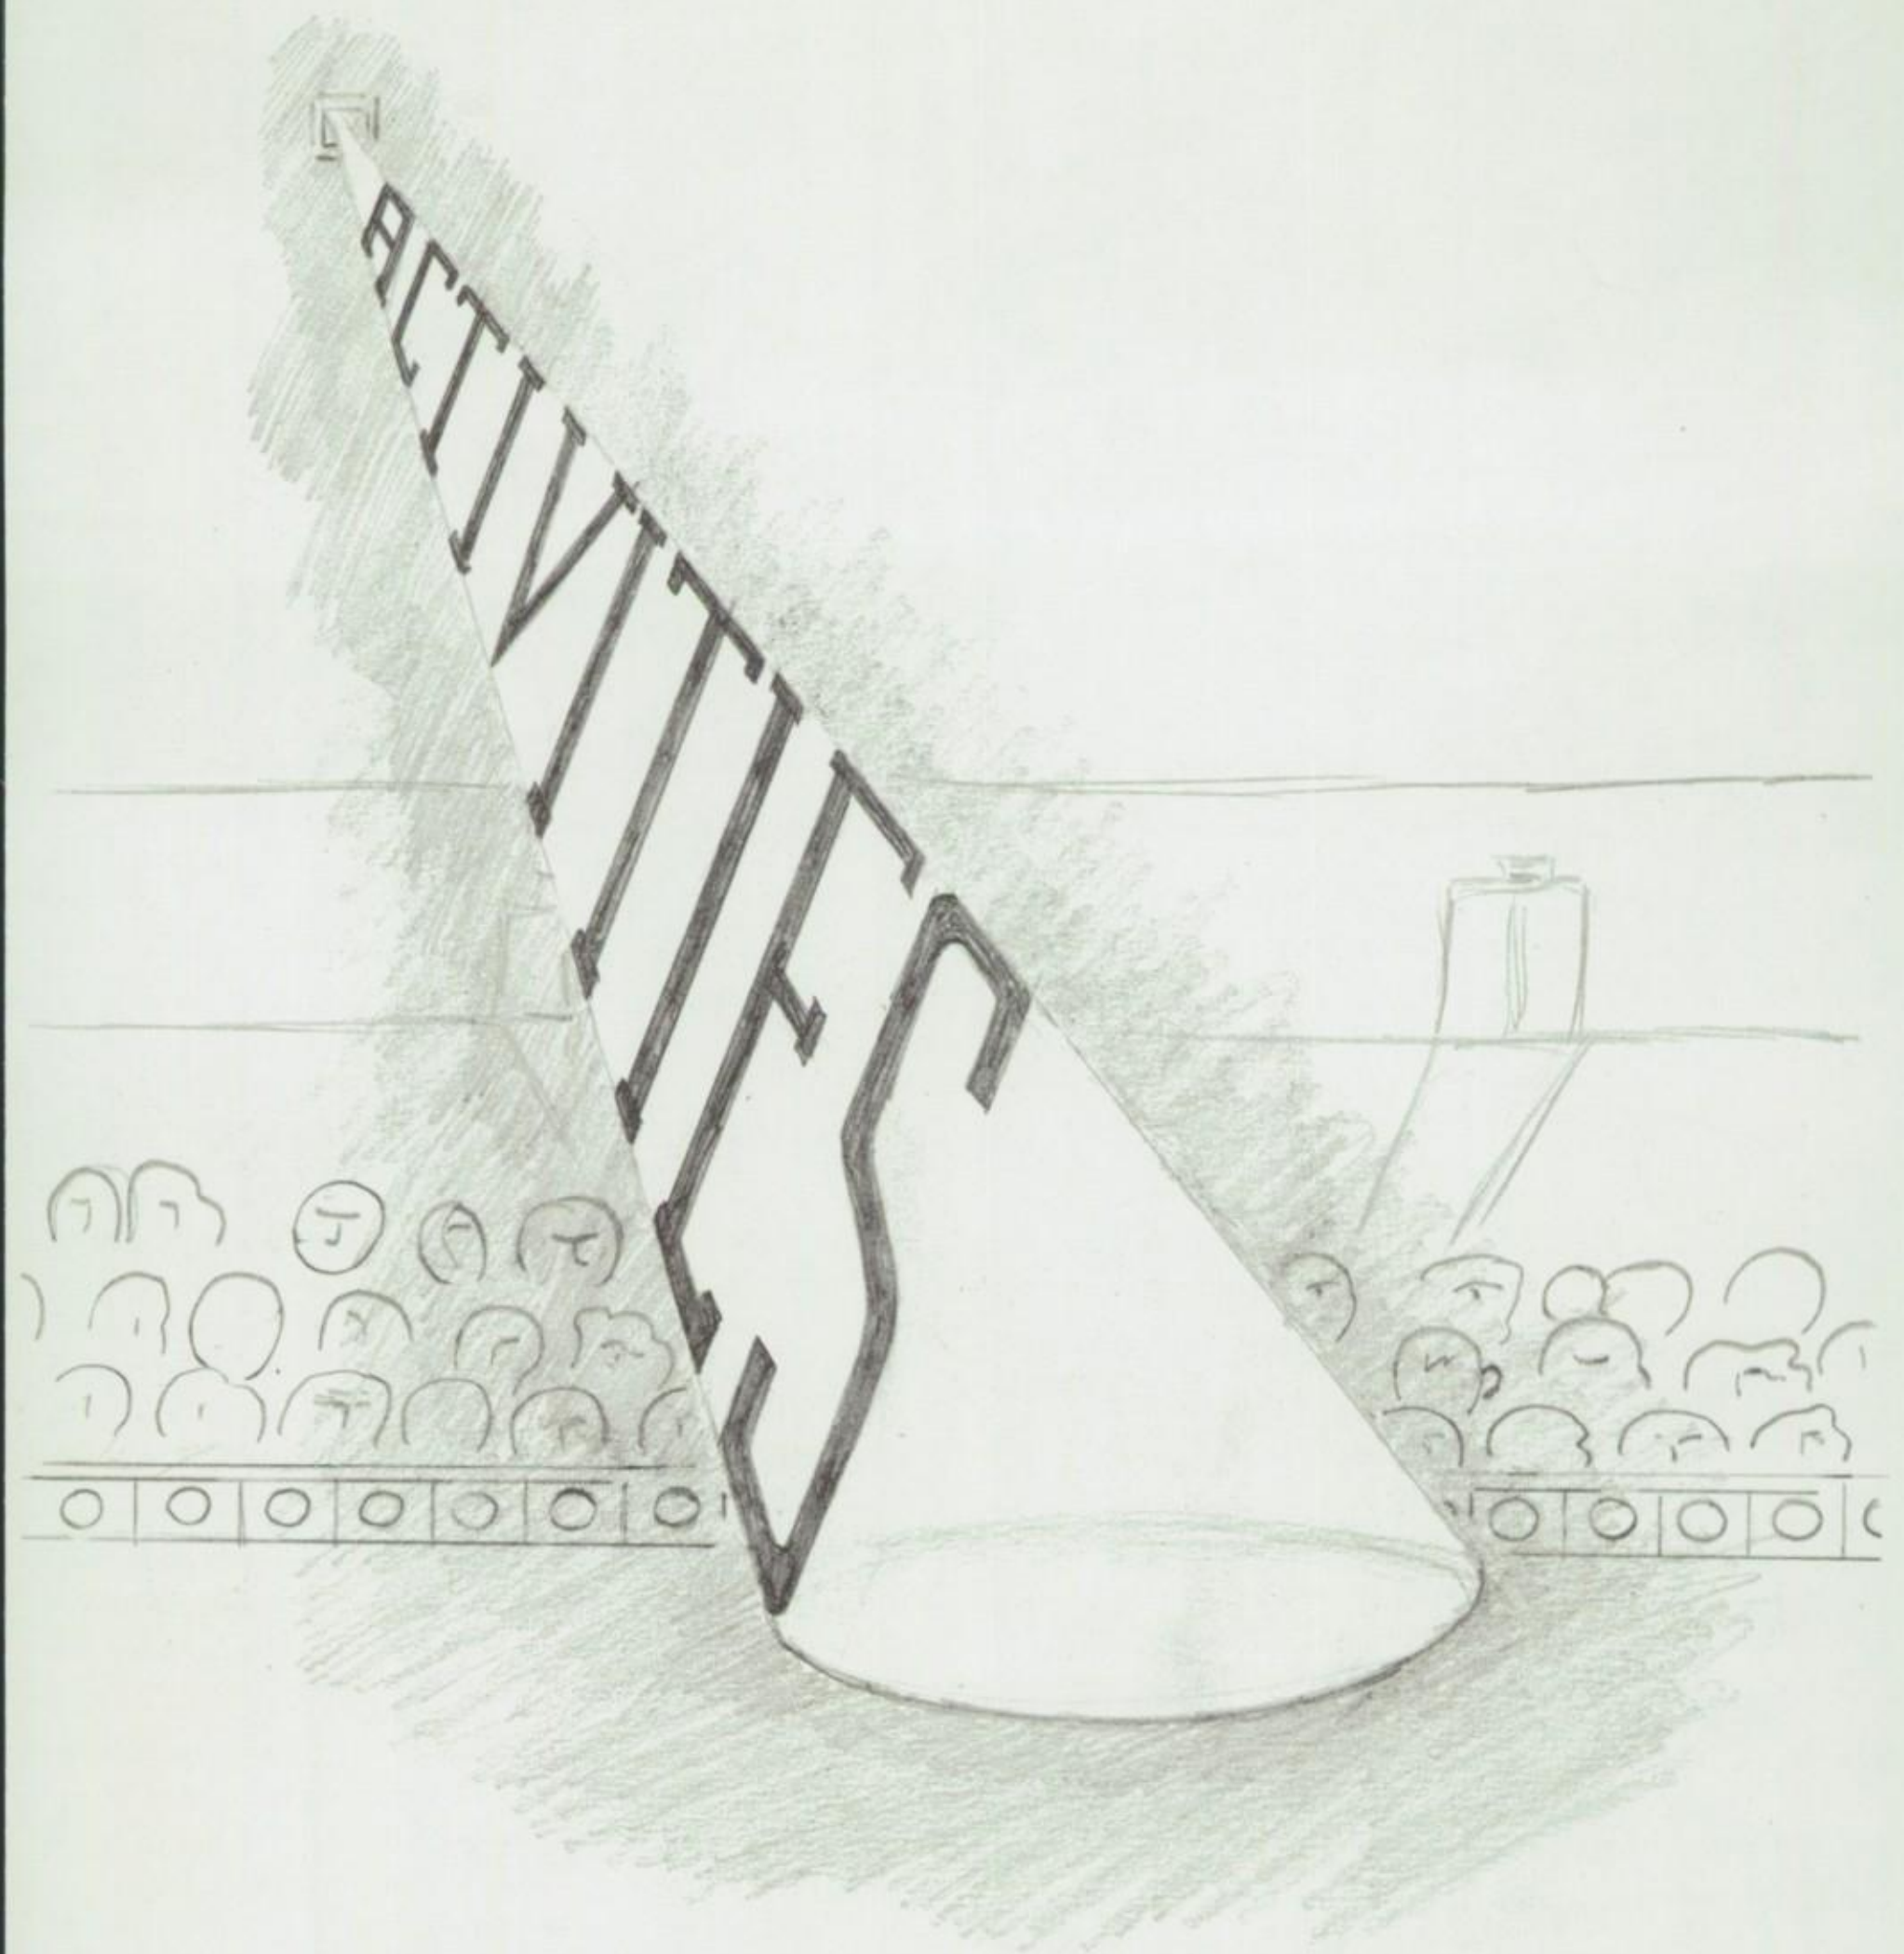

Yea, Westbrook!

PLAYWRIGHTS

The editorial staff of the yearbook is composed of members of all four classes. The staff is divided into several sections, each responsible to its own editor, who, in turn is subject to the Editor-in-Chief. The advisor, Mr. Seaver, has worked closely with co-editors Carolee Sampson and Koster Peters in editing the 1962 edition of the "Blue and White."

Two other important staffs of the yearbook are the business and sales staffs. The competent members of both staffs have done a wonderful job helping the Yearbook meet its deadline.

It is the duty of the business staff to solicit advertisements from various stores and companies in the Westbrook area. Mrs. D. Connors advised the group with wonderful efficiency. Just as important is the sales staff which has done a fine job selling subscriptions to the "Blue and White." This group worked not only after school on the sales, but also before classes. Mrs. F. Thompson did a commendable job advising this staff.

Co-editors C. Sampson and K. Peters give instructions to E. Edgerley.

STUDENT COUNCIL

Perhaps the most important organization at Westbrook High School is the Student Council, under the direction of Mr. Richard Getchell. The council consists of all class officers, one representative, each from the Freshman and Sophomore classes, and two representatives each from the Junior and Senior classes. Meetings are called to order on alternate Thursdays by President Roger Barr, who is assisted by Vice-President, Donna Gildart and Secretary-Treasurer, Diane Morabito. The aims of the Student Council are: 1) To promote a better understanding between students and teachers. 2) To discuss and bring about the ideas of the complete student body.

The activities of the Student Council are many and varied. This year it has sponsored the Annual Thanksgiving Food Drive and Teachers' Appreciation Day. In addition, Westbrook sent delegates to the State Convention at Gorham. It is planning a student exchange program with several other schools in the area. It is responsible for the suggestion box in the main lobby, sponsors dress-up days, and has provided music in the cafeteria during lunch.

This year the work and planning of the Student Council has contributed much to Westbrook High School.

The Student Council helps spread Christmas cheer.

NATIONAL HONOR SOCIETY

One of the highest honors at Westbrook High School is to be chosen a member of the National Honor Society. Only a limited number of students can receive the honor of membership in this national organization. New members receive this honor at a special assembly in the spring.

Members of this organization must be outstanding in the four important areas of scholarship, leadership, character and service. In the field of scholarship, a student must have an average of 85 or better in all subjects and must maintain this average for the remainder of his time in high school. Members of the faculty determine the student's worth in the other three areas.

Members of the National Honor Society are active rendering service to their school. Their duties include acting as guides and ushers at special school events.

National Honor Society members make use of their library privileges.

OFFICE STAFF

The staffs in the main office and guidance office are composed of efficient members who assume the responsibilities of performing the necessary tasks to maintain the daily routine of both offices. The members of these staffs are a great asset to the school as they assist the top officials of the school by giving their services in performing such tasks as collecting the home-work assignments for ill students, checking up on last year's graduates, taking notices to students, making necessary calls when requested, doing typing assignments for Mr. Calvin Jordan and Mrs. Marjorie Charleston, and performing other tasks to maintain the efficient routine of the office.

MORNING DEVOTIONS

The daily morning exercises are capably carried out by twenty-two seniors, under the direction of Miss S. Richmond. These students voluntarily give their time in an effort to foster a religious awareness in the student body. During the first semester each leader served for two weeks; however, in order to give an equal opportunity to everyone, the time was shortened to

one week during the second semester.

This organization is very grateful to Miss Marion Chick, who has helped them find inspirational material.

We are sincerely proud to have an organization which helps our school worship the Lord and repeat the "Pledge of Allegiance" each morning.

The audio-visual staff under the able direction of Richard E. Getchell, gains experience in the distribution, maintenance and operation of all the audio-visual equipment. Their valuable assistance is an asset in the efficient usage of the film projectors, tape recorders, record players, and the opaque and overhead projectors. This staff is composed of boys who show their interest in the school in assisting it in this phase of the school's routine.

LIBRARY STAFF

Our school librarians deserve many thanks for devoting much of their time to the library. Through their work and that of Miss Marian Chick, we have a library in which we can take pride. Every person on the staff is helpful in keeping the books, magazines, and encyclopedias in order. They also do a fine job binding many of the old and torn books that would otherwise be thrown away. The librarians are always willing to help anyone in finding a book, magazine, or any desired information. Surely they should be highly commended for the services which they give to both the library and the student body.

Another important and interesting part of our library is the scrapbook. This book is very interesting and contains many interesting pictures of past activities. It also contains newspaper articles in which members of the high school have been mentioned, and any article concerning the school.

DEBATING CLUB

One of Westbrooke High School's most outstanding activities is debating. Under the direction of Mr. Berry, the debating team has done a fine job representing its school at Lynnfield, Mass., Cheverus, Laconia, N. H., and the Bates Discussion Tournament. The main aim of debating is to prepare the student for better preparation and organization of material, and this the students do at regular meetings on Monday afternoons. The Varsity Debating Team consists of: J. Jaques, H. Gower, R. Verrill, and N. McDougal. Novice debaters are A. Chretien, K. Sinclair, T. Menna, and D. Carter.

ART CLUB

New at Westbrooke High School this year is the Art Club, ably advised by the new art teacher, Mrs. Del Guidice. Every Thursday afternoon its members gather at a meeting run by its president, Sylvia Hamblen. Other officers include, Debra Banks, Secretary; and Theresa Fredette, Treasurer.

The Art Club is open to any student sincerely interested in art. Its main aim is to promote a greater interest among the members of the student body. Its main project this year was undertaking the construction of props for the music department.

'44 CLUB

The '44 club, so called because it originated with the class of 1944, is the oldest service organization of the school. Each year funds are raised in two major projects. One of these is a dance, an informal record hop in the early fall. The other is the biggest social event of the school year, a semi-formal cabaret dance called the Stardust Ball, which is held each spring. With funds thus raised, the club donates a gift to the school annually. In June, 1961, a portable television was given for the purpose of giving the student body an opportunity to view the educational programs offered on television.

Another purpose of the club is to help its members learn about many opportunities awaiting them after school. Only areas that require

higher education are considered, since membership is restricted to those taking the college course. The members indicate the field in which they are interested and then guest speakers are invited to speak to the club. These speakers have been co-operative with information that should prove valuable to future careers of the members.

KEY CLUB

Westbrook High School's Key Club is a service organization sponsored by the Westbrook Kiwanis Club. In order to qualify as a member, a boy must possess the qualities of a good citizen in both the school and the community. New members of the club are chosen by a majority vote of the present members.

The following are Key Club officers: Robert Anderson, President; Douglas Crosby, Vice-President; William Hebert, Secretary; Roderick Tibbetts, Treasurer. Mr. Ronald Berry is the club's Advisor.

The Key Club performs many services during

the school year. One of the outstanding projects this year was the Teacher's Appreciation Banquet held in November. They sponsored a dance in January and donated half of their proceeds to the March of Dimes. At Christmas they sponsored a toy drive for the needy children of Westbrook and also assisted the Heart Fund Campaign. In addition, the club provided many of Westbrook's voters with transportation to the polls during the November elections.

Certainly the Key Club is one of the most important clubs in the school and does much for our school and our community.

Such activities include All Westbrook Night, the one-act play, and the three-act play. Membership in the Dramatic Club is open to any student in the school who professes a serious and sincere interest in acting

and dramatics in general. Officers include Lee Carter, president; Marie Bernier, vice-president; and Pamela Theriault, secretary-treasurer.

The Dramatic Club of Westbrook High School hopes for a more enthusiastic support next year. Although it has had a large membership this year, even more active student participation is desired for the year to come. If it can get enough support, the possibilities for this organization are limitless.

Membership in the “W” Club is open to those students who have earned their letters in interscholastic sports. This includes the Varsity cheerleaders, who contribute their wonderful school

spirit at athletic functions. The officers of the club are as follows: Raymond James, President; Andrew Francoeur, Vice-President; Carolyn Curtis, Secretary; Corey Chick, Treasurer.

out in accordance with the policies of the National Rifle Association, and proficiency at acquiring good marksmanship is a watchword for all members. Shooting during the year has been carried on at the Rod and Gun Club.

Next year the club hopes to have more members, and urges anyone who wishes to learn the use of firearms to become a member. Membership is unrestricted, and the Club urges girls, as well as boys, to take part.

TEAM TEACHING

Desiring to utilize to better advantage the various talents and interests of the teachers in the English Department, Off-size Classes were started by Mrs. Crone at Westbrook High School in 1959. Four or five divisions, about one hundred thirty students and their teachers, meet periodically in the auditorium to hear lectures, panel discussions, guest speakers and to witness demonstrations. This large group continues the study later in their regular classrooms. These classes are growing in popularity with both faculty and student body.

Another modern teaching method used since 1960 is the Cooperative Classes, in which two divisions with similar interests and abilities meet in one

classroom. Both instructors teach together, each complementing the other as shown above in an actual situation conducted by Mrs. Crone and Mrs. Libby. This type of class is being used extensively in the college classes and is being used more and more in the Business English divisions. Overhead and opaque projectors, film strips, recordings, lectures and laboratory periods may be used very effectively in such classes. Students and teachers having these Cooperative Classes are very enthusiastic about the results. It is believed that Westbrook High is the first secondary school in Maine to experiment and develop successfully, Off-size and Cooperative Classes.

BAND

Under the direction of Mr. Manuel, the band has remained one of the most popular organizations of the school. Practices are held every day as band is considered a school subject. Its officers are: Martha-Ann Hartford, President; David Lowell, Vice-President; Joyce Guitard, Secretary.

The band has marched at football games, played at rallies, and participated in various assemblies and concerts. The band members are working jointly with the Band Mother's Club to finance the trip to the Cherry Blossom Parade in '63. They have sold candy, pens, calendars and have sponsored various entertaining productions.

CHORUS

Under the direction of Mr. Manuel, the chorus sang their way through another successful year at W. H. S. Anyone who is interested in music and enjoys singing is welcomed to join this organization which meets period eight throughout the school week.

The officers who have faithfully handled the affairs of the chorus are Mary Kennie, President; "Bunny" Bernier, Vice-President; Yvonne St. Cyr, Treasurer.

After diligently working and practicing new songs, the chorus has enlightened classmates and

teachers with their sparkling voices at assemblies and concerts. They have participated in several exchange concerts with such schools as Lewiston and Lisbon Falls and will compete in the annual Music Festival. On March 30 and 31, the chorus will put on the Broadway production "Get Up and Go." It is the first time that the chorus has attempted to produce a show of this type. It will no doubt be a great success.

The chorus is certainly deserving of praise for their hard work and charming voices.

The organizations are divided into groups according to the instrument the student is interested in. They include Piano-Accordion, Percussion, and Woodwinds. Many students who cannot join Band because of conflicts in their schedules find this system valuable. The main purpose of these clubs is to stimulate interests in these instruments and to point out to the student the many accomplishments music can present.

FOOTBALL

This year's Westbrook High School Football eleven had a rather successful building season, under coach Edward Bogdanovich. The Paper City footballers got off to a bad start losing the first two games of the season to Biddeford and Old Orchard, but bounced back to down Fryeburg Academy, Kennebunk and Gardiner and tie Waterville to end the season with a 3-4-1 record.

Coach Bogdanovich loses only two men from the starting backfield next season, Tom Jacques and Andy Francoeur. The Blazes already have some talented underclassmen ready to step in and take over.

Other Seniors graduating from the Blazes' Squad are "Togo" Gagnon, Dave Provencher, Mike Murphy, Tim Bryan, Bob Leonard and Ray James. The starting line loss is light and again there are plenty of underclassmen to fill in.

The Blazes will have plenty of experience at the quarterback position with sophomore, Ken Luce. Ken transferred here from Connecticut and took over as starting quarterback, a position at which he did a tremendous job.

All and all, it looks as if next year's Westbrook High School Football team will profit from this year's mistakes.

FRESHMEN FOOTBALL

The Westbrook High School Freshman football eleven deserves much credit for a long, hard season. The Freshman team was coached by Mr. Irwin and Mr. Stone. Although they didn't win a game, they fought to the finish in every contest they took part in.

Numbers was their biggest disadvantage this season. Near the end of the season, the squad consisted of only 12 men. One member of the squad was seri-

ously injured during a practice session and spent several weeks in the hospital, but Wayne Banks managed to get back on his feet to receive his football award at the awards assembly.

Since this was the introduction of Freshman football into the new four-year athletic program, coaches hope that greater numbers will turn out next fall for the pigskin sport.

Here they come into the home stretch with Charlie Guilmette leading as usual followed by Ray Chadbourne, Rick Swan and Bill Hebert.

CROSS COUNTRY

Cross Country made a reappearance into the Westbrook High School athletic picture after quite a number of year's absence. The Cross Country squad under the direction of track coach, Roger Bailey, was another of Westbrook's athletic teams in a building year.

The bright light for the Blue Blazes was Charlie

Guilmette, who finished first of any of the Westbrook runners in all meets that the team participated in.

Although the Westbrook squad was small, they put their heart into every contest and never gave up the ship. Next year, the Blazer's runners should have improved greatly.

Front Row, Left to Right: Ray Ouellette, Charlie Guilmette, Ray Chadbourne, Bill Hebert.
Second Row: Terry Quinlan, Mike Mazerall, Rick Swan, and Ben Davan.

VARSITY BASKETBALL, Front Row, Left to Right: K. Luce, A. Francoeur, T. Jacques, K. Cumberland, P. Stultz, Coach Folsom.
Second Row: S. Proctor, R. Billings, M. Mazerall, G. McKeague, W. Wark, R. Swan.

VARSIITY BASKETBALL

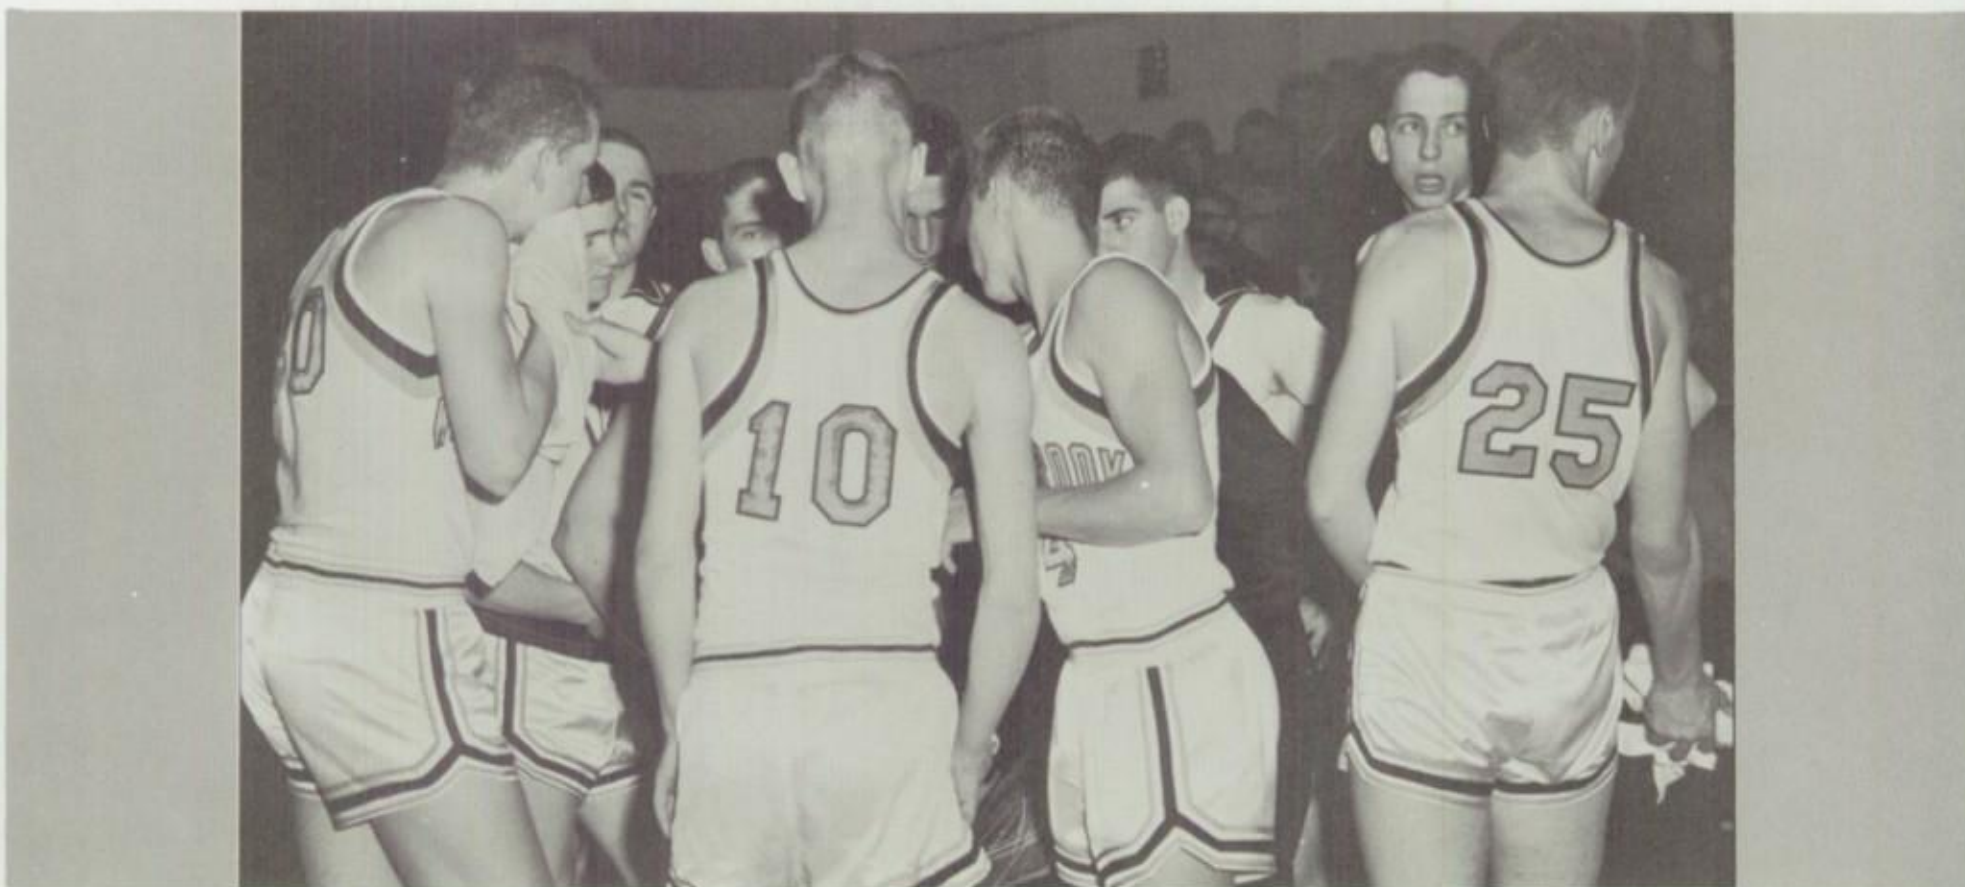

The Westbrook High School Blue Blazes basketball team finished the 1961-62 basketball season with a 9-10 record. The Westbrook team, under new Coach Folsom, is expected to have one of the better teams in this part of the state next year.

Mike Mazerall and Dick Billings will be returning along with quite a few other under classmen. The younger members of the varsity certainly gained much valuable experience through the Blazes' trials and

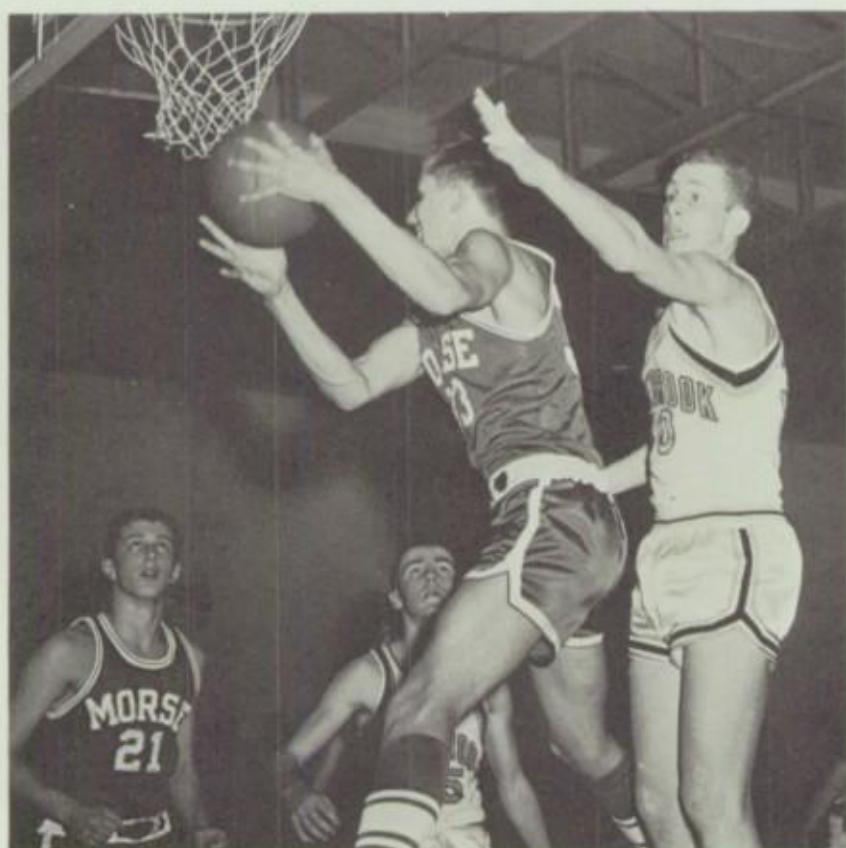

tribulations this season.

This was the last season of high school basketball for Seniors Tom Jacques, Ken Cumberland and Andy Francoeur. All deserve credit for fine high school basketball careers.

Westbrook missed out on the tournament this season, but the Blue and White crystal ball sees bigger and better things to come for the Blue Blazes Basketeers in the future.

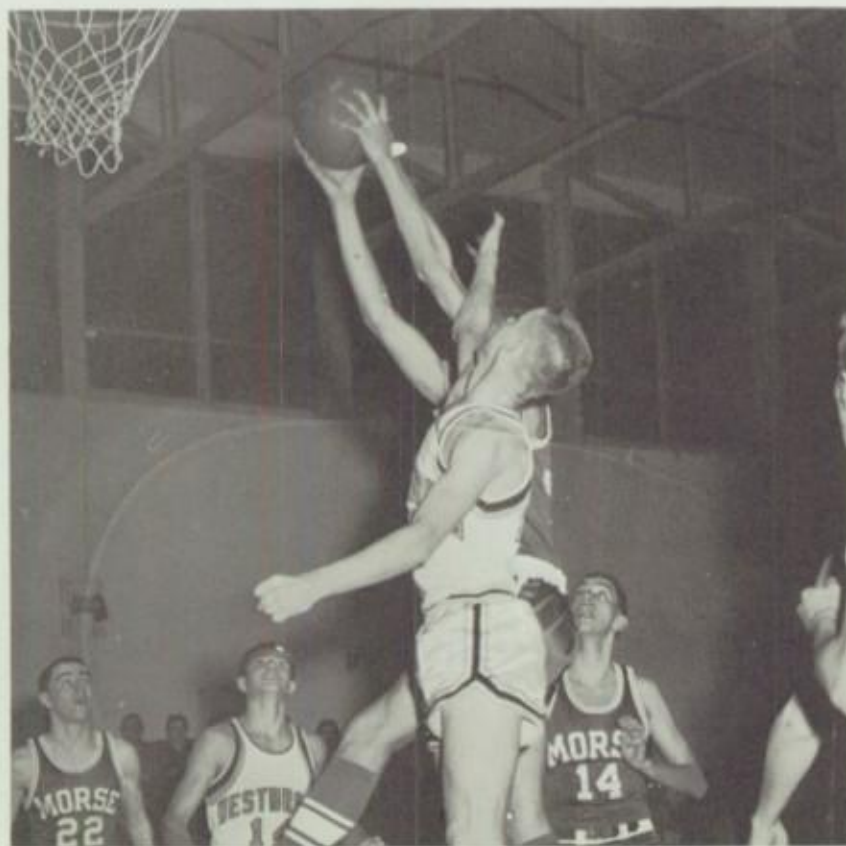

Coach Folsom takes time out for instructions.

Front and Center, Left to Right: S. Arsenault, C. Chick, J. Ryan, J. Gilbert, G. Plowman, L. Barrieau, D. Gildart, C. Curtis.

CHEERLEADERS

School spirit really roared this year when the snappy, enthusiastic group of W. H. S. cheerleaders led their classmates in cheering their team to victory. Their loud yells and loyal support at all the football and basketball games were a great encouragement to the teams and spurred them on to greater effort. The participation of the cheerleaders at school rallies great-

ly increased attendance at the various games.

The squad appeared this year in attractive new royal blue uniforms. Their many new routines were capably led by head cheerleader Gale Plowman.

Congratulations are in order for the whole squad for a job excellently done.

Jayvee Cheerleaders, Left to Right: D. Peterson, C. Graffam, S. Webb, P. Labreque, S. Knight, D. Gildart, N. Dugas.

Last Year's Baseball Team, Front Row, Left to Right: R. Tibbetts, T. Jacques, R. Pratt, T. Ryan, J. Gillette, R. Merritt, K. Cumberland.

Third Row: Coach Dolan, S. Gale, T. Boissonneau, C. Andrews, J. McDonough, P. St. Cyr.

BASEBALL

The Westbrook High School Blue Blazes baseball team finished the 1960-61 season with a losing record of 7-9. Ronnie Merritt was the Blue Blaze's top pitcher for last year's schedule.

Although the Blazes didn't do too well last year, as the Blue and White rolls to press, things look a lot more promising for Coach Roger "Mickey" Dolan. Returning for the 1962 season are catcher, Ken Cumberland, who did a fine job behind the plate last

season; second baseman, Paul St. Cyr, who came through with some important runs batted in; and shortstop, Tom Jacques, who did a great defensive job last season.

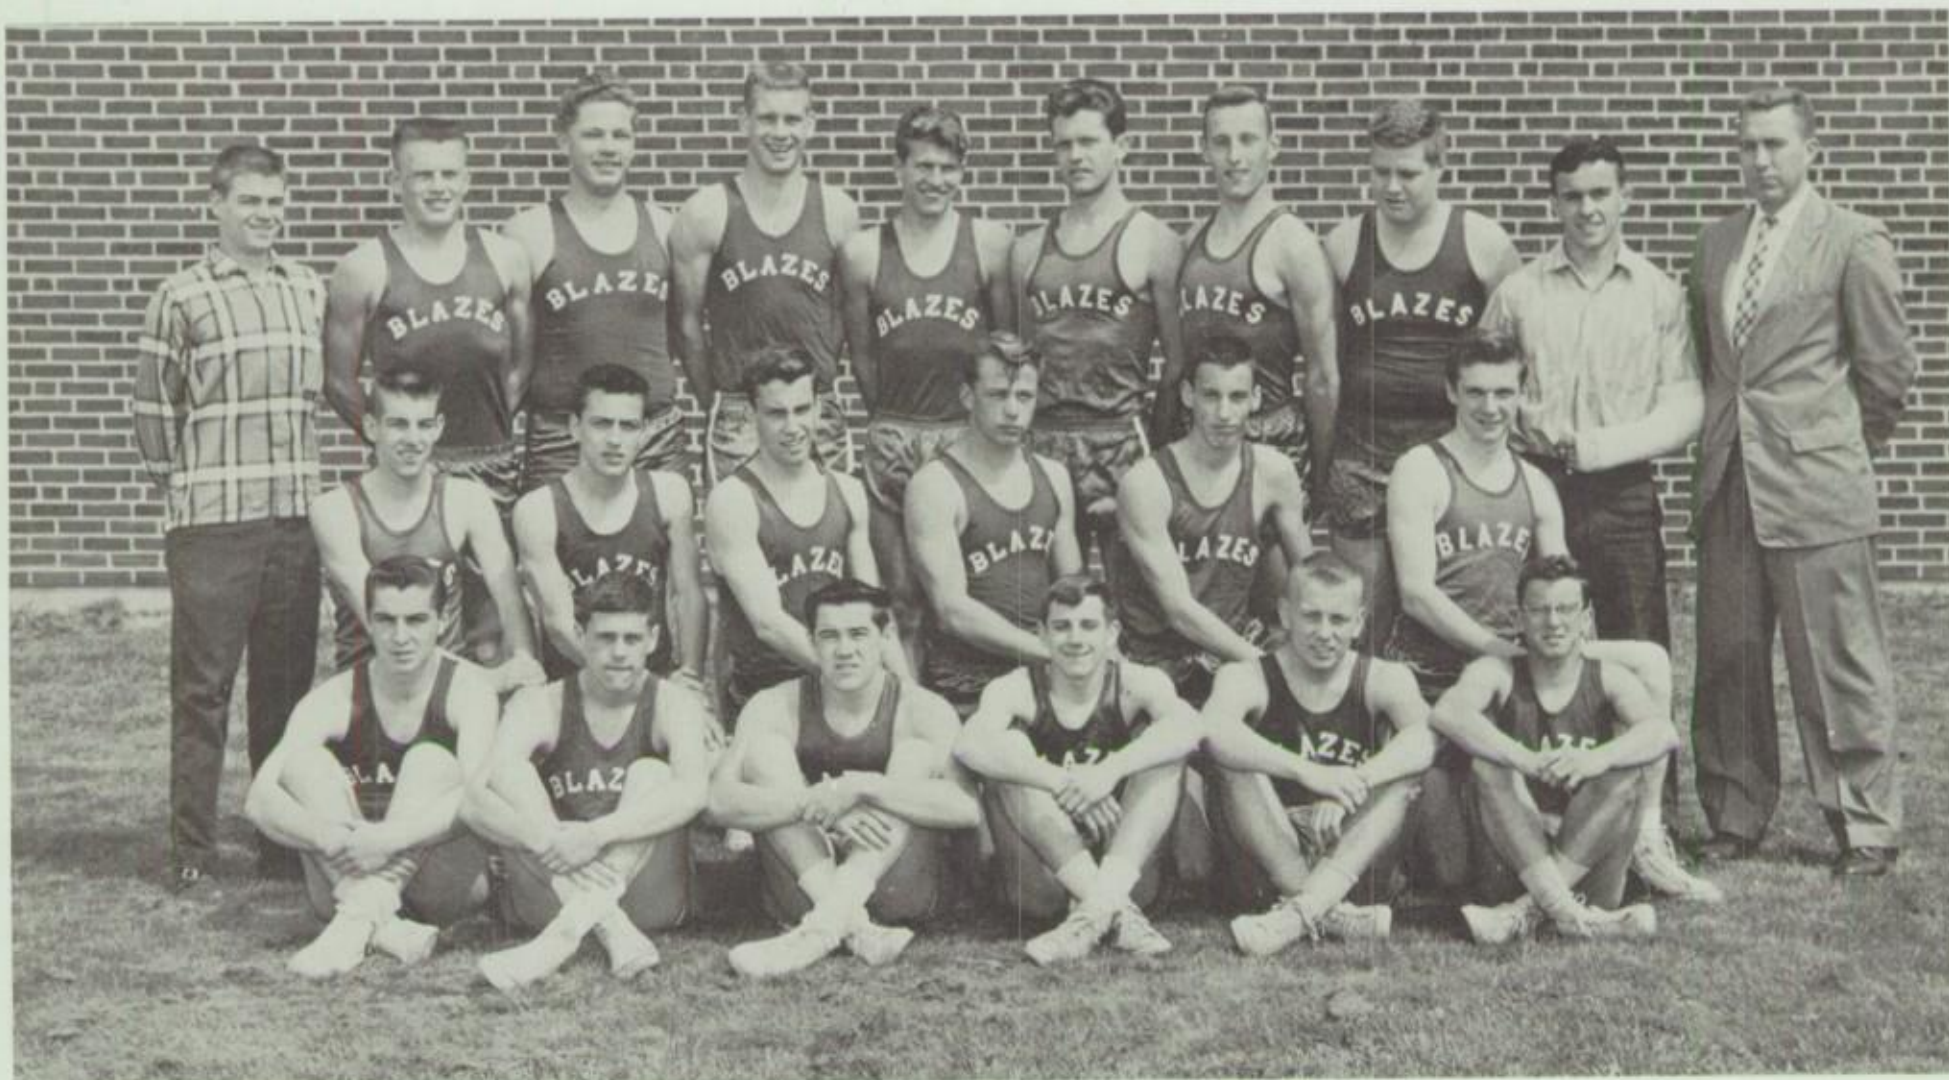

Also on the Blaze's roster will be Wayne Nason, a fine hitter; Doug Crosby, a good outfielder and pitchers, Roddie Tibbetts, Mike Mazerall, Bill Wark and Rick Swan.

Left to Right: R. Merritt, T. Ryan, K. Cumberland, J. Gillette, T. Jacques.

Thank You, Ottmar!

On July 3, 1886, in the composing room of the *New York Tribune* an historic event took place. Seated at the keyboard of his new machine, Ottmar Mergenthaler handed to Whitelaw Reid a slug of metal. Reid exclaimed, "It's a line-of-type!" Thus was christened the forerunner of today's modern line-casting machine: the Linotype.

Here at Portland Lithograph Company, this machine plays an important part in yearbook production and careful, accurate typesetting is always a leading factor for an outstanding annual.

As good as Home-Baked beans!

There's cherished New England tradition in each can of B&M Brick-Oven Baked Beans... Old time flavor, too, thanks to hours and hours of open pot baking in real brick ovens. Heat and enjoy them in minutes along with steamed or toasted B&M Brown Bread.
